

Event List 2012

This coming year, CTA and ATA will be the media partners of over 30 industry events held all throughout Asia. Both magazine series will receive additional distribution at these events, contributing to a wider and more diverse reader base. Moreover, CTA and ATA's participation in these shows allows our editorial teams to remain informed of any new industry developments, and puts us in a position to observe trends across Asia. This makes us a valuable resource for readers, and therefore a strong brand that advertisers can leverage in their promotional activities.
